

## **Nahayan Mabarak at the presence of members of UAE University Council, inaugurates the most distinguished websites in the University**

**The new launched website provides an opportunity to interact 24/7**

H.E. Sheikh Nahayan Mabarak Al Nahayan, Minister of Higher Education & Scientific Research and Chancellor of UAE University inaugurated the latest websites in the UAE University for Alumni in the building of Faculty of Information Technology in the new campus. Their Excellences members of the University Council participated H.E. Sheikh Nahayan Mabarak in the launch of the new website who accompanied H.E. Sheikh Nahayan in quick visiting tour to university premises which in their final stages.

In the framework of the continuous updating and development processes, UAE University announced the launch of the Alumni Website. It is a developed website for UAEU Alumni. The UAE University established this center in the context of the strategic visions of H.H. Sheikh Nahayan Mabarak Al Nahayan, Chancellor of the UAE University to strengthen cultural and scientific relations between the University and community, Arab and Foreign institutions. The University was keen to open viable and effective communication channels through this website between the University and its Alumni to get their feedback and views to make use in developing the academic programs and

practical plans and provide the necessary technical support for the University Alumni.

Dr. Abdullah Saad Al Khanbashi, UAE University Vice Chancellor stated that the University kept a constant interaction with its Alumni and it developed and established the Alumni website within the official University website which in turn promotes the modern e-communication that meets Alumni needs and cope with the scientific and knowledge revolution witnessed by UAE. It also achieves one of the most important strategic objectives of the University to outreach for the society.

It is worthy to mention that the website provides various and unique services at the university level, on top of that providing a database for the University Alumni who exceeds 52 thousand graduates until now. The Alumni can update his/her personal and professional profile through this website and sign up for a lifelong email address and interact with the rest of the Alumni and University Community. The Alumni also has the opportunity to view the University different events and various activities conducted inside and outside UAEU campus, in addition to access of all Alumni services and interact with university departments 24/7. ID cards will be issued for Alumni to enable them for accessing available University services and make use of the scientific and research facilities, laboratories, libraries and meet with faculty members.

Ms. Muna Al Hammadi, Executive Director at the Vice Chancellor's Office and Alumni Project Manager (one of UAEU Alumni) stressed in this regard that establishing and launching of the Alumni website comes within the programs aiming at strengthening the interaction between the university community from faculty members, staff and Alumni as one family and an integral part of the university entity. Ms. Al Hammadi mentioned that there will be a weekly newsletter including all activities and events held in the University. Also the website shall post online and regularly the vacancies in the government departments, institutions and private sector and also announce the opportunities in continuing education and higher education, especially that the university offers many graduate studies (Master & Ph.D.) in addition to the available scholarships in the university or regional and international universities and the mechanism of technical support for UAEU Alumni.
